RE: Administrative Reorganization

RECOMMENDATION:

Superintendent Sicoli recommends the approval of administrative reorganization effective July 1, 2010.

DISCUSSION:

Superintendent Sicoli has announced his plan to reorganize district administration to better address the needs of students and staff. The new organizational structure will spread decision-making authority so that district administrators may be more responsive to the needs of the schools and community.

Superintendent Sicoli's plan will eliminate three positions and replace them with the following three positions: Executive Director of Teaching and Learning, Executive Director of Business Services and Executive Director of Educational Services.

Effective July 1, 2010, the positions that will be eliminated are: Assistant Superintendent of Teaching and Learning, Director of Finance and Program Director for Curriculum, Instruction & Education Standards.
